**Subject:** Make a Difference - Bacon efamily - issue #2

## **Welcome to Bacon Elementary efamily news HOME of the BULLDOGS....**

**Issue #2**

*if you did not receive the 1st issue & want to receive it, please let me know*

---

Invest in **YOUR** child! It is our **ONLY** fundraiser and it is your opportunity to make a direct contribution on what is happening at your child's school! Prior to 2007, our fundraising campaign involved the selling of candy and wrapping paper. Although this type of campaign was successful, it was time consuming and involved parents and children soliciting and distributing products door to door. After gathering feedback, the overwhelming majority of respondents requested that we move to a direct gift fundraising strategy. This allows families to contribute with little effort and 100% of the donations go directly to Bacon Elementary plus your contribution is tax deductible.

*Suggested* amount: \$50 for one child, \$75 for two children, \$100 for three or more children in a household. However, every contribution makes a difference.
