LEGO FUN CLUB Enrollment for K - 3

Dear Parents;

As you know the early winter storm prevented us from holding our parent meeting on Thursday, October 29th. Please join us for first club meeting in room 135 (Mrs. Bricker's Kindergarten classroom) next week on Thursday, November 5th from 3:28 until 4:15. The club will meet the 1st and 3rd Thursday of the month from November through March. The last meeting time in March is now scheduled for the 4th Thursday due to spring break.

Some of you have responded that you cannot attend the meeting. Whether you can or cannot attend, in order to enroll your child please send an email to Julie Trone at jujutrone@aol.com with all of the following information;

Child's name, grade, classroom teacher and room number, food allergies (if it applies)
Parent's names, contact numbers, email addresses, and any date(s) that you can volunteer (see meeting dates below)

In order to have a successful club meeting each time we need parent volunteers for every meeting. Please help us keep the club going by volunteering for at least one club meeting. Once we have all of the enrollment information we will put together a volunteer schedule and send it to each parent who is able to assist us.

The focus of the club will be based on a variety of themes such as buildings, transportation, creatures, creating an original idea, and adding onto the existing structure in the hallway. The dates are; November 5 and 12, December 3 and 17, January 7 and 21, February 4 and 18, and March 4 and 25.

We hope to see you next Thursday after school in room 135. Thank you for your assistance in sending an enrollment email to Julie.

Sincerely,

Julie Trone
Andrea Flake
