Bacon Elementary efamily news **HOME of the BULLDOGS...**

Check out our website - www.baconpta.org

It's hard to think of 2010-2011 academic year already, but we must! If you are interested in giving back to Bacon Elementary, perfect opportunities will be 'unveiled' again at our next meeting - March 9th.

If you are interested in running for a PTA office (President, Vice-President, Secretary or Treasurer), now is your time - elections will be April 6th! If you want to be instrumental in making sure we have a slate of qualified effective candidates let the current board know by March 2nd!

Again April 6th will be elections, come & vote @ the very least it will make a huge difference in how business is done! Not interested in getting involved on that level, there are many other opportunities for example chair a committee, be a room mom or volunteer on a committee! Some of the work doesn't require you to even come into the building if time is an issue.

***The position you hold is not what's important,
but that you position yourself to make a difference is what is important!***
