Subject: Bacon Elementary HOE DOWN cancelled
Importance: High

Bacon Elementary efamily news HOME of the BULLDOGS...

Check out our website - www.baconpta.org

After much contemplation..., the PTA board and Bacon Elementary staff have decided to cancel the HOE DOWN due to the anticipated weather forecast! In order to have a successful HOE DOWN with all that is included, the weather needs to be at least 50 degrees and @ 6:00 p.m. the chances of that are slim. Gotta love living in the GREAT state of COLORADO!!!!

We are excited and are gearing up for a wonderful back to school ice cream social with lots of bells and whistles!!!

To all our 5th grade parents..., I know it was going to be one of your child's last celebration here with everyone BUT we know you will have a BLAST at the 5th grade celebration - seems like it will be LOTS of FUN!!! Best of wishes to your child(ren) at there next stop!!!

Next stop -> FIELD DAY!!!! Mr. Crawford is planning for a fun-filled day for ALL!
Be sure to have your child wear their Bacon School on the Move t-shirt next Wednesday!!!
